2. How has the nominee served as an advocate for the independent academic medical Center (IAMC)?

Dr. Patow has been involved with the AIAMC since 2003 and has had an active role in the development of the current Alliance. He is an active president and represents the Alliance and HealthPartners locally and nationally. Dr. Patow has led initiatives, published articles, and presented at several conferences throughout his career. His work exemplifies his passion for education and innovation. Please review pages 9-31 of his curriculum vitae.

3. Please describe how the nominee has articulated his/her vision for the future of academic medicine in the IAMC:

Dr. Patow is an extraordinary visionary. He advocates for the integration of academic medicine through the organization's strategic plan and operations. He is an innovate leader who sees the importance of the use of technology as a driver for change. He understands generational differences and seeks to reach out to students of all ages, and create means for effective adult learning environments. He has contributed to the development of interactive learning using performing arts; television, film, and theater. His work using performing arts for teaching has been recognized locally and nationally.

4. Has the nominee received national recognition for his/her contributions to academic medicine?

Yes No

Dr. Patow is the recipient of many recognized awards and honors.

If yes, please describe:
