National Initiative News

National Initiative X Meeting Three was held virtually on October 9th. Fifty-three team leaders and members attended and shared key learnings from an "unintended consequences" exercise before spending quality time in cohort groups presenting storyboards and progress made to date.

The fourth and final meeting of National Initiative X will be held April 9th – 10th at the Loews Ventana Canyon Resort. We look forward to seeing the final posters of all 30+ projects!

The AIAMC Board of Directors and Programming Committee are already thinking about National Initiative XI, which will launch in summer 2027. Be on the lookout for a survey link to rank your top choices for the theme of National Initiative XI, which we anticipate sending out in early November.
