

AIAMC National Initiative VII: Teaming for Interprofessional Collaborative Practice (IPCE)

Virtual Meeting Four
Celebrating Our Results and Inspiring Teaming
March 26-27, 2021

A close-up photograph of a brass compass resting on an antique map. The compass is circular with a hinged lid and a decorative handle. The map beneath it is aged and features a grid of latitude and longitude lines, with some text and geographical outlines visible. The lighting is warm, highlighting the metallic texture of the compass and the yellowish tones of the map.

Plans are Today's Best Guesses

**All you need is the plan, the road map, and the courage
to press on to your destination.**

Earl Nightingale

*Dear
future,*

Evaluation and Continuing Education Credit

- In collaboration with Baystate Health Interprofessional Education we are excited to offer continuing education credit hours for physicians, nurses, and pharmacists. First time users will need to create an account.
- Two Evaluation Forms – Please Complete One (Both Online)
 - > Baystate if Seeking Continuing Education Credit
 - > AIAMC if Not Seeking Continuing Education Credit
- All Presenters and Planning Committee Members Have Completed a CE Disclosure of Relevant Financial Relationships, and the full disclosure statement appears on the next slide.

CE Disclosure Statement

Baystate Health Continuing Interprofessional Education relies upon invited speakers at all sponsored continuing interprofessional education activities to provide information objectively and free from bias of conflict of interest. Baystate Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team. In accordance with above mentioned accreditation bodies and institutional guidelines pertaining to potential conflicts of interest, the faculty for this continuing interprofessional education activity has been asked to complete faculty disclosure forms. In the event that, some invited speakers indicate that they have a relationship which, in the context of the subject of their invited presentation, could be perceived as a potential conflict of interest, their materials have been peer reviewed in order to ensure that their presentations are free of commercial bias.

Meeting Four Deliverables

1. Cite examples of innovative approaches to teaming for interprofessional collaborative practice.
2. Identify barriers and success factors in teaming for interprofessional practice.
3. Advance teaming for interprofessional collaborative practice at the micro, mezzo, and macro levels.
4. Articulate outcomes of NI VII and what role your team played in the overall outcome.
